

K-Love radio provides listeners in my area the best in Christian radio and K-Love is the only Christian radio station that is consistently available to me and my family. Christian radio is a vital part of our lives and meets many needs for us and our community. It truly is a station which provides a "positive and encouraging" message that is lacking in other stations and much needed in our world today. We went for many years in this part of North Carolina with no Christian radio until K-Love became available to us. Please don't displace K-Love radio with an LPFM broadcaster. Thank you.
